

RushHour

karting

serious adult fun

50,000 square feet of adrenaline-pumping, high-octane fun!

Tired of the same old boring company picnic year after year? Host your next event at RushHour Karting for a celebration your group will never forget!

Whether your goal is to win over new clients, successfully launch new products or services, or creatively build team morale, you're guaranteed to do so in ways you've never before experienced! We offer a variety of affordable entertainment and menu options in a relaxed environment that is specially designed to ensure maximum guest participation and entertainment.

Our professionally designed indoor go-kart track features fresh-from-the-factory, European-inspired Sodikarts capable of speeds up to 40mph! Compete with your co-workers, supervisors AND the clock. With our cutting-edge computerized timing and scoring system, we monitor and present each individual racer's lap times, speeds and racing results.

RushHour Karting also features two upscale "sports bar" themed meeting rooms, one that can comfortably accommodate up to 30 guests, the other can accommodate 100+. In addition to on-site catering and luxurious seating, we also have all necessary audio/video equipment to accommodate your presentation needs.

A New Twist on Team Building

Looking to improve employee morale? Is it time to clarify your company's vision? Do you have a need to develop leaders? Our team-building events are custom designed to meet the needs of each organization we serve.

Everyone experiences the rush of competition during corporate events at RushHour Karting. We use a cutting-edge computerized track timing and scoring system to monitor each individual racer's or team's lap times, speeds and racing results. With closed-circuit monitors displaying up-to-the-minute lap information throughout our facility, spectators can cheer on the racing action from the comfort of the RushHour Tavern or our designated observation area.

At RushHour, the action's not over once the checkered flag drops. After race winners complete their victory lap, conduct your own "victory lane" celebration! Present awards, trophies or other accolades with a special podium awards ceremony. This also presents a great opportunity for group photos. The options are endless, and we look forward to working with you to plan the event your group will eagerly anticipate every year!

Racing Options

Sprint (\$45 per person*)

The Sprint format consists of a 5-minute practice session, allowing all drivers to have the opportunity to become accustomed to the karts and track. The practice session is followed by a 6-minute qualifying race to determine starting order. Then all drivers compete in a 10-minute Sprint Finale race. The Sprint format is suggested for groups of less than 12.

Grand Prix (\$55 per person*)

The Grand Prix format is the same as the Sprint Race but includes **an extra 10-minute Grand Finale** for the top 10 racers. The Grand Prix format is suggested for groups of 24 or less.

Endurance Race (\$1200 per hour*)

Get ready for some super-serious, non-stop go-kart action! In this format designed to aid in team building, group members are randomly split into 2- to 6-member racing teams. Mandatory pit stops and driver changes dictate that team members work closely together as racing strategy becomes top priority. The team that completes the most laps within the designated timeframe is declared the winner.

Entire Track Rental (\$1200 for first hour, \$1000 for each additional hour)

Looking for a more casual, relaxed option for LARGE GROUPS? This may be the best way to go! In this format, we run individual races for as many hours as you desire, each 8 minutes long, and we include a max of 10 people per race. When you finish a race, you can immediately sign up to be in the next available race, OR just hang out for a bit. Those who aren't racing or just finished racing, can eat or drink in the tavern, watch the others racing from the observation area, play video games/pool/air hockey or watch sports on our many TVs. Toward the end of your event, we will take the top 10 overall and have a "Championship Race" (which everyone will be watching and rooting for!) to determine the overall winners.

The Corporate Card

Maybe you just want to reward a group of employees for a job well done, perhaps treat a client to a fun afternoon or simply blow off some steam amongst fellow executives. We understand the need for flexibility and that's why we designed the Corporate Card. You pay \$15 for the Membership ID and then \$999 for 100 8-minute race passes that never expire. That's less than \$10 per race!

Want to "Test Drive" Our Facility?

We know you have better things to do than sit through a long sales pitch. So why not experience the rush and "test drive" our facility first-hand? Take a spin around the track and check out our RushHour Tavern catering menu options. Our Event Coordinators will assist you in selecting the ideal racing format, catering options and other extras that will create a thrilling, first-class experience for your group! Our safe, controlled and exciting racing environment, coupled with state-of-the-art audio/visual presentation equipment, full catering options and competitive pricing make RushHour Karting the ideal event setting. **Contact us for details or to schedule your "Test Drive" reservation.**

Reserve our Luxury Bus

Perfect for company outings because it gets everyone to and from the track, together. It is \$425 for a round-trip (pick-up/drop-off has to be within a 30-mile radius of RH) and can hold up to 32 people.

UNC-CH Football Team

“We had a WONDERFUL time! Everyone is still talking about it today. The guest of honor was surprised and everyone loved driving the karts. The food and back room worked out great and the bar stayed open later to accommodate us ‘hanging around’. We’ve also discussed it for future outings! Thank you again.”

Pam, John Deere

“Thanks to you and your staff for providing an outstanding experience and a special thanks for your continued support/fundraising for those in need!”

Shawn, GlaxoSmithKline

“Just wanted to say thanks for you and your crew’s hospitality last night with my guys. Everyone had a blast!! I will be in touch in the future about setting up a trip for our staff.”

Blake Anderson, UNC-CH Football Team, Offensive Coordinator

“Thank you for having the Netsertive Automotive team out for a day of racing and team-building. The entire week of training was a success as we built it all around a ‘racing’ theme. I found it to be ‘money well spent’. Your team was a pleasure to work with both inside and track-side. Please feel free to use me as a reference with companies who are looking to get their employees out for a day of fun and competition. RushHour Karting is a must for any sales team outing! We’ll see you again.”

Tim O’Rourke, Netsertive

“Everyone had a BLAST! Chris (winner of the race) is still boasting about how he smoked his competition on the tracks LOL! The trophies came out great-thanks for taking care of that for us! We’ll definitely be back as there’s a lot of folks demanding a rematch. Thanks to RushHour Karting for making our team outing a success!!”
